

how to play:

- Play the track 'Heigh Ho – Larry Morey (Snow White)' - you will need to download this track. It can be found on most music and streaming sites, for example Spotify, I-Tunes, Amazon.
- Ask pupils to move around as the different characters – focus on movements, facial expressions and how the music could make the characters feel (allow pupils to use the flash cards below).

Progression: Split the class into pairs. Give each pair a character. Challenge pairs to create a sequence of movements performing in their character – how they move, how they act, speed of movements, facial expressions etc. Allow pairs to perform to the rest of the class.
